21 Dead in Three Highway Accidents

Six Teenagers, Four Musicians In One Smashup

Six Dead in Car-Train Crash; Five In Auto Collision

By United Press
Death struck in wholesale lots, killing 21 persons in three highway accidents Sunday.

One of the smashups killed 10 persons, and the others six and five. Most of the victims were on Sunday outings.

The worst highway massacre was near Dixon, Neb., where a tire blew on a car carrying six teenagers from a church party Sunday night. Their auto careened head-on into a car carrying four musicians to a dance date.

All 10 persons were killed. One of the boys was thrown upon the highway, while the bodies of the other five were found in the shattered car. The musicians' car burst into flames and it was hours before their charred bodies could be identified.

Six Teenagers Killed

Sheriff Sam Rudy identified the dead boys as Ronald Nobbe, Terry Book, Gary Stark, Robert Rakov, Rodney Hanks, and Richard Rahn, all of Martinsburg, Neb. Nobbe was identified as the driver, but the boys' ages were not immediately known.

The musicians were James E. Martelle, 30, Turtle Creek, Pa.; Jack Renn, Pittsburgh, Pa.; Lou Case, Rock Island, Ill.; and Don Sheffield, 26, St. Johnsbury, Vt. They were members of the 12-piece Jimmy Palmers dance band and were en route to play at a Norfolk, Neb., dance.

Near Forreston, Ill., meanwhile, six persons were killed in a car-train crash, and five died in a head-on smashup near Princeton, Mo.

The Illinois crash wiped out two families, including two children. Their bodies and the wreckage of their car were scattered for three quarters of a mile after the speeding Union Pacific Challenger plowed into their car at a grade crossing.

Families On Outing
The dead were Alvin Wagner, 29; his wife, Joan, 30; Wayne Zettie, 31; his wife, Jo Ann, 34; and their children, Marilyn, 7, and Becky, 4. The Orangeville, Ill., farm families were on an outing to Dixon, Ill., when they died.

Near Princeton, a mother, her son, and a friend were returning from a dance when their car crashed nearly head-on with another auto at a curve.

Killed in one car were Vernon Harold Musgrave, 28, Kansas City, Mo.; his mother, Mrs. Johnny Musgrave, Princeton; and a friend, William McKay, 22, Kansas City. Arvyn L. Smothers, 23, Davis City, Iowa, and Gary Lane, 17, Blythe, Mo., died in the other auto.

Death Takes Mrs. Maud Powell, 66, Stonefort Resident

Mrs. Maud Powell, 66, resident of Stonefort, died at the Lightner hospital yesterday morning at 8 o'clock. She was the widow of Oscar Powell.

Funeral arrangements are for Tuesday at 2 p. m. at the Stonefort Baptist church. The church pastor, Rev. George Smith, will officiate and burial will be in Springhill cemetery with Eastern Star rites.

She was a member of the Springhill church and of the Stonefort Eastern Star.

Survivors include the following children: Mrs. Cecil Kennedy, Stonefort; Mrs. Margaret Currier, Pittsburg; Mrs. Flossie Craig, Stonefort; James Charles Powell, Michigan; Louie V. Powell, Stonefort; 11 grandchildren and six great-grandchildren; also three sisters, Lela Whipple, Stonefort, Matilda Cogdill, St. Francisville, and Emma Davis, Benton Arbor, Mich., and a half brother, Joseph Williams, East St. Louis.

The body was taken from the Thornton funeral home in Carrier Mills to the residence in Stonefort to lie in state.

AEC Chairman Strauss Warns Russia Is Winning 'Cold War of Classrooms'

WEST ORANGE, N. J. (AP) — Chairman Lewis L. Strauss of the Atomic Energy Commission warned today that the United States faces possible disaster because Russia is winning the "cold war of the classrooms."

Strauss called for immediate action to match Russia's stepped-up program of training engineers and scientists. The "already dangerous" situation could become "disastrous" within less than a decade, he said.

In a speech prepared for the sixth institute of the Thomas Alva Edison Foundation, Strauss said "Between 1950 and 1960, which may be the most critical decade of our national existence, Russia is expected to produce 1,200,000 trained engineers and scientists,

against our 900,000."

He said the United States currently is about even with the Soviets in the number of trained scientists and engineers and probably has more top-notch men.

But, he said, "the emphasis which the Soviets are placing on science... presents a real and growing challenge to us, and to the free world."

If there is to be another world war, Strauss said it "will almost certainly be lost by the country with the fewest resources in trained manpower."

He said the United States requires from 45,000 to 50,000 new trained engineers every year and is getting half that number. Last year's June crop was around 23,000, Strauss said, while Russia at the same time produced 53,000.

Political Pace Quickens After Kickoff Speech by Stevenson

WASHINGTON (AP) — The political pace quickened today in the wake of Adlai E. Stevenson's kickoff speech for the Democratic presidential nomination.

Republican National Chairman Leonard W. Hall said Stevenson "cut out quite a task for himself" by criticizing the administration's economic and foreign policies.

Hall said the administration had scored its most "positive accomplishments" in these fields.

But Democratic National Chairman Paul M. Butler expressed confidence that Stevenson's speech at a Democratic fund-raising dinner in Chicago Saturday would win the Democrats some votes.

Butler said Stevenson called for a "moderate" and "liberal" program as against GOP efforts in behalf of the "special interests."

"Dinner-Circuit Politics"

The White House at Gettysburg, Pa., dismissed the speech as dinner-circuit politics. Said Presidential Press Secretary James Hagerty: "He probably had to say something for \$100 a plate."

Hall said Stevenson was talking "bunk." "We note that he has taken up Harry Truman's line on special interests, but is silent on the corrupt forces that infested the Fair Deal."

Hall said Stevenson "will get absolutely nowhere" by attacking an administration "that has an all-time record of 65 million Americans working at the best jobs they ever had." He also said "the people have had enough" of the "Truman-Acheson" foreign policy.

Appearing on a television program accused the administration of relying on "prosperity" to scale down public services in order to cut taxes "for a favored few." It accused the administration of inaction on behalf of low-income families.

Butler made it clear that the Democrats will campaign against the record of the Eisenhower administration regardless of who is the GOP candidate.

Union County Man Killed, Wife Shot by Farmhand

DONGOLA, Ill. (AP) — A farm hand shot and killed a Union County farmer and wounded his wife early today and then shot himself. Sheriff Roy Dillow said Bevie Pannell, 59, admitted orally that he shot and killed Audie Littleton, 60, and then wounded Mrs. Jewel Littleton, 52, three times. Pannell then shot himself in the head with a .32 caliber pistol and Dillow said he is in serious condition. Mrs. Littleton was expected to recover.

Pannell was under guard at an Anna hospital where he and Mrs. Littleton were taken after the shooting which occurred about 6:30 a. m. on a Davis Nursery farm where Littleton was a tenant and Pannell was a farmhand.

Dillow said Pannell gave no reason for the shooting, but the sheriff said he understood Pannell had been drinking. Dillow said charges probably would not be filed until Pannell's condition improves.

Dies of Carbon Monoxide Fumes

MONTICELLO, Ill. (AP) — Wilford Guffey, 17, Ivesdale, was found dead in his car Sunday, the victim of carbon monoxide fumes when he went to sleep with the motor running after skidding into a ditch during the night.

Search for Plane Reported Down In Rugged Area

Hunt Covers Mountain Terrain Near Gettysburg, Pa.

CARLISLE, Pa. (AP) — Search parties today resumed their hunt for a "ghost plane" believed down in the rugged mountains north of President Eisenhower's Gettysburg farm.

The search by some 200 civil defense workers and volunteers in the desolate mountain terrain was postponed at 2:30 a. m. because of darkness and extreme cold.

A woman plane spotter reported a "large plane" in distress Friday night and said she saw a flash and heard what she thought was a crash.

A summer resort caretaker also reported hearing a plane flying very low and apparently in trouble.

Two sailors passing through the mountains later reported seeing a yellow signal flare.

Mr. and Mrs. John Kelly reported sighting a second yellow flare Sunday night and the search shifted south of Dillsburg, Pa.

Dale Murphy, Cumberland County civil defense director, said the hunt was narrowed to a triangular section covering some 10 miles of treacherous mountain terrain blanketed by about five inches of snow.

The area is about 20 miles north of the Eisenhower farm at Gettysburg.

Harrisburg State Airport said no airplanes were known missing or overdue and all military aircraft were accounted for.

C. S. Morrison, 64, Husband of Former Local Woman, Dies

C. S. Morrison, 64, government auditor at Fort Leonard Wood, Mo., died Saturday at 9 a. m. at the veterans' hospital at Memphis, Tenn. He had been seriously ill since July.

Mr. Morrison was the husband of the former Edith Morse of Harrisburg.

He is also survived by a brother, Arch Morrison of Portland, Ore.

The body is being returned to Harrisburg and will arrive in Carbondale and will be in state in the chapel of the Gaskins funeral home after 8 a. m. Tuesday.

Funeral services will be held Wednesday at 3 p. m. in the chapel of the funeral home. Interment will be in the Lindale Memorial Gardens.

Begin Repair Work on City Hall Columns

Work started this morning to repair the two big columns in front of the Harrisburg city building. The job is being done by the Wilson Cabinet Co., which also widened a door in the first department used by a fire truck.

The columns have been in need of repair for several years. Workmen will replace with brick some fancy cornice work and the base of the column, which have deteriorated.

THIS WILL WAKE YOU UP—The driver of the overturned car, Wayne Gates, 21, of Dexter, Mo., told state police he went to sleep at 6:30 a. m. yesterday on Route 45 south of Carrier Mills while pulling the auto seen at left. The overturned car rolled precariously close to an embankment near the New York Central tracks at the Saxton coal mine and the car being pulled hit a telephone pole, but none of the four persons involved was injured. Auto Pulling Second Overturns; No One Injured

Four young men from Missouri escaped without a scratch early yesterday when the car in which they were riding, pulling another, overturned on Route 34 at the Saxton coal mine three and a half miles south of Carrier Mills.

State Policeman Adolph Sweat of Carrier Mills, who investigated the crash, said the driver, Wayne Gates, 21, of Dexter, Mo., told him that he went to sleep at the wheel. The autos went off the right side of the road, the front car overturning. It came very close to rolling down an embankment onto the New York Central railroad tracks.

The car being pulled hit a telephone pole but did not come loose from the auto pulling it.

Others in the car with Gates were his brother, Billy Gates, and Wayne Beyer of Dexter, and Billy Patterson of Poplar Bluff.

The boys told Sweat that the car being pulled belonged to young Beyer. It had broken down the night before near Grayville and he had phoned Gates to come and help him. Gates was towing the car back to Dexter when the crash occurred.

Sweat said the accident happened at 6:30 a. m.

Iraq Stands Firm on Arab Pledge, Baghdad Pact Partners Advised

BAGHDAD, Iraq (AP)—Iraq told her four partners in the Baghdad Pact today that she still stands firmly behind her pledge to aid any Arab state "subjected to Israeli aggression."

Premier Nouri El Said made it clear at the opening session of the first pact conference that Iraq will maintain strong Arab ties despite any agreements it makes on mutual defense along the southern flank of Russia.

American observers were on hand to symbolize United States support of the pact, which is designed to resist Russian expansion in the Middle East and formulate a possible solution to the Arab-Israeli border crisis.

Nouri emphasized in his welcoming address that Iraq still maintains her obligations to the Arab collective security pact.

He said, "I will not hesitate to use her resources and assistance for any Arab country subjected to Israeli aggression."

Nouri spoke before the foreign ministers of Britain, Turkey, Pakistan and Iran.

Iraq said it hoped the United States would become a member of the organization "soon."

The alliance of Turkey, Iraq, Iran, Pakistan and Britain plugs the holes in a Western defense arc curving thousands of miles around Russia from the Arctic Ocean through NATO to the Philippines through the Southeast Asia Treaty Organization (SEATO).

One of the first problems facing the pact nations was the attempts by Russia to extend its influence into the Middle East. Western observers believed the pact might be able to halt this expansion.

British Foreign Secretary Harold Macmillan flew in from London Sunday for the meeting. The United States was represented by official "observers," Ambassador Waldemar Gullman, Adm. John Cas-

par, and others.

County authorities asked the state fire marshal's office for help in investigating the fires.

The latest blaze burned down a stable at the Pope County Fairgrounds Friday night. Authorities said they found evidence that the fire was set.

Another fire at the fairgrounds Thursday night destroyed the grandstand, exhibition hall and some cattle stables. No estimate on the loss was made.

The fairgrounds was reported to be up for sale by A. L. Robbs, a Golconda banker, who took it over when the fair organization went bankrupt.

A fire Wednesday night destroyed an empty house belonging to Fred Weekly. The first of the mysterious blazes burned down a vacant house Aug. 29.

Mrs. Susie Beal, 77, Dies; Rites Tuesday

Mrs. Susie Beal, 77, died at 8 p. m. yesterday at her home, 110 East Homer, following a six months' illness.

She was born in Illinois and her maiden name was Wagner.

The body lies in state at the Turner funeral home where services will be held Tuesday at 2 p. m. Rev. Willard Fritts, pastor of the Apostolic church, will officiate and burial will be in Sunset Hill cemetery.

She leaves two sons, Alonzo and Paul Beal, both of Harrisburg, seven grandchildren and four great grandchildren.

'Copter Brings Aides to Parleys At Camp David

President Driven To Closely Guarded Mountain Retreat

GETTYSBURG, Pa. (AP)—President Eisenhower shifts his base of operations today from his farm to his nearby mountain retreat for policy conferences with the major figures of his administration.

Helicopter-borne members of the cabinet and of the National Security Council planned to drop down at Camp David, the President's hideaway in Maryland's Catoctin Mountains, for sessions with the Chief Executive this afternoon and Tuesday.

Mr. Eisenhower — recuperating nicely from his heart attack — was to drive the 22 miles to the secluded and closely-guarded camp while his chief lieutenants were being whisked through the air from Washington in three Air Force "flying banana" helicopters.

The meeting of the National Security Council, the top-level advisory body on defense and foreign policy, came first.

His session with the cabinet will be held Tuesday.

To prepare himself for the National Security Council session, the President scheduled a private conference in Gettysburg earlier today with Allen W. Dulles, director of the Central Intelligence Agency.

Vice President Richard M. Nixon who has been presiding at cabinet and council meetings during Mr. Eisenhower's illness, flew back from a Florida vacation to attend the two sessions.

Besides the regular members of the security council—Mr. Eisenhower, Nixon, Secretary of State John Foster Dulles, Defense Secretary Charles E. Wilson, and Defense Mobilizer Arthur S. Flemming — a score of other government and military leaders were to attend.

To Attend Meeting

Also asked to sit in on the NSC meeting were: Treasury Secretary George S. Humphrey, Attorney General Herbert Brownell, Jr., Budget Director Rowland Hughes, Atomic Energy Commission Chairman Lewis L. Strauss, Harold E. Stassen, special presidential assistant on disarmament matters; Theodore F. Strieter, director of the U. S. Information Agency; Undersecretary of State, Herbert Hoover Jr.; John Hollister, director of the International Cooperation Administration; Gen. Nathan F. Twining, Air Force chief of staff, representing Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff, Allen W. Dulles, assistant Secretary of State (for policy planning) Robert R. Bowie; and presidential aides Sherman Adams, Joseph M. Dodge, Nelson Rockefeller, Dillion Anderson, and Col. Andrew Goodpastor.

Mr. Eisenhower was reported in fine shape for the meetings. He has conferred individually with most members of both groups since his Sept. 24 heart attack but has not attended a full session of either.

State Office Completes Annual Visitation Of Schools in County

C. R. Gardner, county superintendent of schools, announced today that visitation of Saline county schools by supervisors from the office of Public Instruction, Springfield, was completed on Thursday, Nov. 17. The annual inspection began Monday, Nov. 14.

The purpose of the annual inspection is to determine if the schools of Saline county are meeting the prescribed regulations of the State Department of Education which qualifies the schools to participate in the State Distributive Fund to help defray the expenses of educating the youth of Saline county.

Within the next few weeks, principals, clerks of boards of education, and the office of the county superintendent of schools will be notified of the recognition status of the various districts of the county.

Personnel from the state office included Ethel Byrl Miller, Otis Keeler, Bob Ring, Edith Conlisk, and Robert Wingo.

The Washington Merry-Go-Round

By DREW PEARSON

DREW PEARSON Says:
Truman Nudged Adlai Into
Early Announcement; ICC
Chairman Cross Is New
Conflict of Interest Subject; Com-
modity Credit Official Also
Scrutinized.

WASHINGTON.—The man who
had a great deal to do with nudg-
ing Adlai Stevenson out in front—
though Adlai may not know it—is
that past-master politician from
Missouri, Harry S. Truman.

Mr. Truman, who enjoys play-
ing politics just about as much as
he does playing the piano, has
been sitting behind the scenes call-
ing the tunes of the Democratic
party almost as he rattles the Mis-
souri waltz off the keys of his pi-
ano.

His strategy was to get the po-
litical pot boiling early, to force
Stevenson into battle so people
could get better acquainted with
him; also so Republican opera-
tions would be vigorously chal-
lenged. He remembered all too
well how he had sat on one end of
the telephone in Washington wait-
ing word from Chicago as to whe-
ther Adlai would or wouldn't run;
or whether he, Truman, would
have to accept Kefauver, whom
he didn't like; Barkley, who was
too old; or Harriman, who was not
an experienced candidate.

Truman went through some of
the most nervous moments of his
political life waiting for Adlai to
make up his mind, and he didn't
want it to happen again.

That was why he stopped in to
spend an evening with Governor
Harriman at Albany last month
and then gave a press conference
in which he made sounds as if
Harriman might be his candidate.

That was also why he has been
much nicer to Kefauver of late,
and has given indications that
Kefauver would be acceptable to
him in '56.

Partial Payments Made Under Social Security

Persons past age 65 who have
sufficient coverage to be eligible
for old-age insurance benefits, but
have not filed application for bene-
fits because they are still work-
ing, were reminded today by E.
Bishop Hill, manager of the social
security district office at Harris-
burg, that if their earnings in 1955
are sufficiently low they may re-
ceive full or partial benefits for
the year.

"We are inclined to believe,"
Mr. Hill said, "that there are peo-
ple who could receive benefits for
1955 who have so far not taken ad-
vantage of their rights, because
of misunderstanding or confusion
as to the new retirement test in
the law."

"In brief, an individual who was
past 65 years of age the entire year
of 1955, and who has had sufficient
covered employment or self-em-
ployment to be eligible for bene-
fits can receive benefits for the en-
tire year 1955 if his total earnings
for the year do not exceed \$1200.
He can receive partial benefits if
his total earnings do not exceed
\$2080, even though he works thru-
out the entire year."

In the case of a self-employed
person, the net profit from the
trade or business is what is con-
sidered "earnings."

"Regardless of the amount of
his earnings in certain months of
the year, a beneficiary can get
benefit payments for those months
in which he neither earns more
than \$80 in wages nor renders sub-
stantial services in self-employ-
ment," Mr. Hill declared.

According to Mr. Hill, January
1956 is the latest time at which a
person can file an application
which could make him entitled to
benefits for the full year of 1955.

Persons who do not earn over
\$2080 in 1955, and who meet the
other conditions for eligibility may
secure further information and as-
sistance in filing application for
benefits, by contacting the Social
Security Administration office at
Harrisburg.

was struck by a train before mid-
night Sunday. Owensby, a retired
Joliet prison guard, had been hunt-
ing his dog remained with the
body.

The crew of another Missouri
train discovered the body.

Actually Truman wanted Stev-
enson to run all the time. But
Stevenson was hanging back, not
sure when he should announce, not
too anxious to take an early
plunge.

Finally, as he saw Kefauver and
Harriman getting into the picture
and realized that early work by
them could line up delegates that
he couldn't retrieve later, he de-
cided to get into the fight early
—much earlier than the average
candidate announces.

So Mr. Truman, who took off
the gloves for Adlai in 1952 but
whose forthright remarks weren't
always appreciated by Adlai, got
his way.

MORE OUTSIDE INTERESTS

Two more possible conflict-of-
interest cases have cropped up in-
side the Eisenhower administra-
tion on the heels of the resigna-
tion of Peter Strobel, Secretary of
the Air Force Talbot, and the ex-
pose of Adolph Wenzell's work
for Dixon-Yates inside the Bud-
get Bureau.

One of the new cases is that of
Interstate Commerce Commis-
sion Chairman Hugh Cross, Re-
publican, already under investi-
gation by the Senate Government
Operations committee.

The other is a possible conflict
of interest by Walter Berger, de-
puty administrator of Commodity
Stabilizations and vice president
of the Commodity Credit Corpora-
tion which handles the tremen-
dous crop surplus.

Berger owns stock in the Shea
Chemical Corporation of Balti-
more, a firm which sells fertilizer
or fertilizer ingredients, in some
cases through the Agriculture De-
partment of which Berger is an
important official.

Berger, when interviewed, said
that he had become chief execu-
tive of the Shea Chemical Corp.
a little over two years ago on a
five-year contract, and when he
entered the Agriculture Depart-
ment the company bought up his
contract with an agreement that
it would get first option on his
services when he leaves the gov-
ernment.

RETAINED STOCK

He admitted, however, that he
had kept his stock, originally 580
shares. However, the stock has
been split and Berger said he did
not know how much his 580 shares
had multiplied.

The retention of this stock is
contrary to the policy laid down
by Congress for other government
officials, among them Secretary
of Defense Wilson, if their firms
do business with the government.
Wilson, accordingly sold his Gen-
eral Motors stock.

The Shea Chemical Corp. has
done business with the Agricul-
ture Department, though Berger
claimed he had kept strictly
aloof from his company's trans-
actions. He admitted his company
had sold limestone from a lime-
stone quarry at Adams, Mass., to
the Agriculture Department,
though he said it was distributed
through farmers for use on their
land and he was in no way involv-
ed.

He also admitted that the Shea
company sells phosphorus and
other ingredients to several fer-
tilizer companies. Though the Ag-
riculture Department helped ar-
range a triple barter deal for Ko-
rea and Austria in which some
American fertilizer was purchas-
ed, he maintained that he had
nothing to do with it.

Berger was president of the Des
Moines Cat Products company
from 1936 to 1948, was president
of the American Feed Manu-
facturers Association, became exec-
utive vice president of the Shea
Chemical Corp. in 1952.

CROSS INTERCEDED

In the case of ICC Chairman
Cross, he has admitted behind
closed doors that he telephoned
the presidents of railroads enter-
ing Chicago on behalf of the
Keeshin Transport System, which
wanted to take the 102-year-old
contract away from Parmelee Bus
for transferring baggage and pas-
sengers between Chicago termi-
nals.

John Keeshin, head of the Kee-
shin company, which later formed
the Railroad Transfer Service,
is a friend of Cross's. Cross ad-
mitted to senators that he had no
business meddling in the case
since it was not an interstate mat-
ter, being solely concerned with
the city of Chicago.

His power with the railroads is
great and his interference may

have influenced the contract
award to Keeshin.

Chairman Cross denied that he
was offered a job by the Keeshin
concern, though he admits dis-
cussing possible employment with
the company long before the
Parmelee contract came up.

Note—What the senators really
ought to investigate is the part
Cross played in the battle between
the New York Central and Robert
R. Young with Texas oil allies.

Stock Buying Called Big Help for Retirement; Returns Up with Living Costs

(Reprint from Chicago Tribune)

By CHESLEY MANLY

Common stocks have been the
best protection against inflation
since 1939, but the University of
Chicago's retirement planning pro-
gram recommends diversified in-
vestments and savings according
to individual circumstances.

A booklet on "Financial Planning
for Retirement," written by Wil-
liam C. Norby, assistant vice presi-
dent of the Harris Trust and Sav-
ings bank, was issued to partici-
pants in the retirement planning
program developed by the univer-
sity's industrial relations center
and tested this year by four large
companies in the Chicago area.
It shows that returns from invest-
ments in common stocks have
more than kept pace with mounting
living costs since 1939.

Figures are Compared

Food, clothing, shelter, and oth-
er household items which cost \$2.
500 in 1939 increased to \$3.510 in
1946, \$4.930 in 1948, \$5.450 in 1952,
and \$5.455 in April, 1953. During
the same period the purchasing
power of \$10,000 in goods and serv-
ices of all kinds declined to \$7,130
in 1946, \$5,780 in 1948, \$5,230 in

1952, and \$5,225 in April, 1953.
Twenty high grade common
stocks which yielded \$2,500 in 1939
paid \$6,610 in 1953. While the cost
of food, clothing, shelter and oth-
er household items increased dur-
ing the same period, the 1953 earn-
ings of the 20 stocks were equiva-
lent in purchasing power to \$3,500
in 1939. The actual purchasing
power of the dividends increased
from \$2,500 to \$3,500, or 40 per
cent.

Twenty high grade common
stocks worth \$10,000 in 1939 had in-
creased in value to \$23,500 in April,
1953. This would have bought \$12-
230 worth of goods and services
at 1939 prices. The actual purchas-
ing power of the stock investment
had increased \$2,230, or 22.3 per
cent.

Thus common stocks were a
highly effective protection against
inflation, both in income and in
appreciation.

Ermine Bathrobe!

NEW YORK (UP)—Here's a gift
suggestion for the "woman who
has everything"—an ermine
bathrobe.

The bathrobe, made to or-
der by Fredrica Furs, is a
copy of one owned by the
stage's late Gertrude Law-
rence. Styled like some of its
less glamorous counterparts,
the robe is calf-length and is
tied casually at the waist with
an ermine belt. Priced at \$2-
500, the robe was featured at
the Associated Fur Manu-
facturers fall fashion show at the
Belmont race track.

The designer pointed out the
bathrobe also can be worn as
an evening wrap.

States Begin Daily Tally of Traffic Fatalities

WASHINGTON (AP) — The 48 states began a special daily tally of traffic fatalities today in a campaign to prevent death on the nation's highways.

The campaign will last three weeks and will be highlighted by "Safe Driving Day" on Dec. 1. At that time an all-out effort will be made to go through a 24-hour period without a single traffic fatality. This is the second year for the campaign.

President Eisenhower, his committee for traffic safety, and more than 200 national organizations have endorsed "S-D Day."

Last year's S-D Day, Dec. 1, fell far short of the no-death goal. A total of 81 persons were fatally injured on Dec. 1, 1954. During the three-week period encompassed by the 1954 campaign the traffic toll was 2,144.

Bloomington Paper Opposes Dirksen And Scott Lucas

BLOOMINGTON, Ill. (AP) — The Bloomington Pantagraph in its lead editorial called for a new 1956 Republican candidate to replace U. S. Sen. Everett M. Dirksen, supported by the Pantagraph in 1950.

The Pantagraph declared itself against slating either Dirksen or former Democratic U. S. Sen. Scott W. Lucas. "Illinois needs new candidates in both parties for the important office of U. S. senator," the editorial concluded.

The newspaper said Dirksen's record was one of "working hand-in-glove with Senators McCarthy, Jenner, Capehart et al when he had any hope that the reactionaries might unseat Mr. Eisenhower in the GOP."

It said Lucas, "like Senator Dirksen, has been an opportunist rather than a statesman."

Xi Chi Chapter Enjoys Fall Party at Home

Xi Chi chapter of Beta Sigma Phi held a beautiful fall party Wednesday evening at the home of Mrs. Chas. E. Seten Jr. A delicious dessert and coffee was served following which Mrs. Roy Metcalf read the impressive ritual of jewels to the following new members:

Mrs. Scerrial Thompson, Mrs. H. V. McDaniel, Mrs. Elmer McCormack, Mrs. Fred Wiley, Mrs. H. H. Barter, Mrs. Ed Brantley, Mrs. Clyde Wilmoth also has been accepted into membership in the group although she was unable to be present.

Games were played, the winners receiving the unusual table decorations which were baskets of gilded fall leaves and pots.

Those present were Mrs. Eli Lasersohn, Mrs. Lowell Moore, Mrs. Lloyd Horn, Mrs. Herman Boatright, Mrs. John Stump, Mrs. Roy Metcalf, Mrs. Jack Davenport, Mrs. J. A. Bottomley, Mrs. Glynn McCormack, Mrs. O. L. Turner Jr., Mrs. Harold Empson, Mrs. Wendell Bramlett, Mrs. George Johnson, Miss Cuba Turner, Mrs. George Barnes, Mrs. Hudson Mudge, Mrs. Clyde Dallas, Mrs. Lonnie Lamkin and Mrs. Gene Bland.

The committee responsible for the enjoyable party was composed of Mrs. Seten, Mrs. Lewis Fulkerson, Mrs. Orin Borthers, Mrs. Hugh Walker and Mrs. Rob Roy Brown.

Mrs. W. F. Applegate Hostess To Harrisburg Home Bureau Unit

The Harrisburg Home Bureau met with Mrs. W. F. Applegate, 200 West Park, Friday at 1 p. m. The chairman, Mrs. Harold Parker, called the meeting to order.

The secretary, Mrs. Archie Abney, read the minutes of the previous meeting and 13 members and one guest answered roll call by telling "a country I'd like to visit and why."

The health chairman, Mrs. George Lindsay, gave hints on Christmas safety. The unit planned to have a luncheon Dec. 16 and voted to give a free-will offering to the Santa Claus fund and to drop the gift exchange.

Mrs. George Lindsay gave the minor topic "Making Fabric Scalops," showing samples of material to illustrate the correct way to cut and sew scallops. The major topic "Time for the Things We Want to do" was presented by the home adviser, Mrs. Harry Harper.

Mrs. C. L. Travis, a former member, was welcomed back in the unit after a few months' absence.

Mrs. Applegate served hot cranberry tea and baked cake to Mrs. Roy Adams, Mrs. Archie Abney, Mrs. W. F. Applegate, Mrs. A. L. Bair, Mrs. Archie Chapman, Mrs. L. B. Kimmel, Mrs. George Lindsay, Mrs. J. W. Myers, Mrs. J. P. Mitchell, Mrs. Harold Parker, Mrs. W. L. Tate, Mrs. Louie Gaskins, Mrs. C. L. Travis and Mrs. Harry Harper.

The next meeting will be held at the home of Mrs. Parker.

First Baptist Lydia Class Installs Officers

The Lydia Sunday school class of the First Baptist church held its installation of officers Friday evening at the home of Mrs. G. B. Hart on East Church street.

After a short business meeting Mrs. Charles Mitchell gave a beautiful devotion using as her theme "By Paths" after which she installed last year's officers who were re-elected: President, Mrs. J. M. Hunsaker; vice president, Mrs. C. B. Hart; secretary, Mrs. Ollie Cain; treasurer, Mrs. Albert Sisk; group captains, Mrs. Fannie Foster and Mrs. Albert Sisk, and the teacher, Mrs. Sallie Hill.

Several games were enjoyed during the social hour and Mrs. Hart presented prizes to the winners and a gift to Mrs. Mitchell. Assisted by Mrs. Haley Dison a guest, Mrs. Hart served refreshments of pumpkin pie with whipped cream, coffee and delicious assorted cookies.

American Legion Auxiliary Sponsoring Membership Drive

"Membership in the American Legion Auxiliary nearly reached the one million mark in 1955, and we expect to do our part to top that record in 1956," said Mrs. George Johnson, local membership chairman, in calling on potential new members and collecting dues of former members, this week in Harrisburg. The local unit last year boasted a membership of 166 and hope this year to top their quota, which is 166, by at least ten per cent.

The department membership theme this year, "We Belong Because We Remember" is a true statement of what auxiliary membership means. The active program of service work to the veteran hospital patient; the child welfare activities and the many other programs of the auxiliary make for an interesting membership. It is a privilege not accorded to all, to be able to belong to the American Legion Auxiliary.

Early Cinderella

The story of Cinderella goes back at least to the year B. C. 610, in the legend of the Egyptian pharaoh Psammethichus. He ordered the country search for the owner of a leather sandal dropped at his feet by an eagle, and made her his queen when he found her.

Royal Daughters Class Holds Monthly Meeting

The Dorrisville Social Brethren Royal Daughters class held its regular meeting at the home of Mrs. Sam Wilson Thursday evening. The meeting opened with the song, "What a Friend We Have in Jesus," and with prayer by Mrs. Eckle Myers.

Roll call was answered with a Bible verse. Mrs. Mary Barger gave the devotion taking her scripture from Psalms 100.

The class agreed to prepare a basket for a needy family for Christmas.

Games were played and refreshments of pumpkin pie, whipped cream and coffee were served to the following: Mrs. Mary Barger, Mrs. Christine Evans, Mrs. Carrie Randolph, Mrs. Nancy Blue, Mrs. Eckle Myers, Mrs. Rose Morse, Mrs. Arcadie Wilson, Mrs. Ona Johnson, Mrs. Ina Barger, Mrs. Goldie Dunn, Mrs. Frank Moore, Mrs. Essie Souheaver and Mrs. Clara Wilson.

Robert S. (Bob) Keltner and family went to Marion Sunday, where their daughter, Roberta Jane, played a solo in a piano recital under direction of her aunt, Mrs. Leta Bracy of Marion, which was held at the Lutheran church.

Mt. Olive Baptist Board Holds District Meeting at Du Quoin

The first executive board of Mt. Olive Baptist District Ass'n and auxiliaries met Nov. 16 and 17 with the St. Paul Missionary Baptist church in Du Quoin where Rev. O. H. Whitfield is pastor.

The theme for the meeting was "The Task of the Christian Church in Propagating the Christian Faith," which was discussed by Rev. J. R. Powell.

More than 50 delegates attended the meeting and delegates from Mt. Pleasant Baptist church here who attended were the pastor, Rev. W. H. Hughes, and Mrs. Mable Rawlings. Delegates from Galilee Baptist church in Carrier Mills were the pastor, Rev. W. L. Robinson, Mrs. Jessie E. Robinson and Mrs. Naomi Rouse. From Mt. Zion Baptist church, Carrier Mills, were Mrs. Courtney Owen, Mrs. Elmerita Taborn and Gurley Cole.

More than \$800 was raised at the meeting toward erection of a new building at the Baptist campsite which will be completed in June.

The second executive board will meet in February at Rock Hill Baptist church in Carbondale. Rev. L. Turley is pastor and moderator.

Bears, Browns Seem Headed For Title Clash

By United Press
The Chicago Bears and Cleve-
land Browns appear headed for
a clash in the National Football
League's championship game, but
you'll never believe it if you listen
to George Halas and Paul Brown,
the pro game's most successful
coaches.
Halas' Bears, climaxing a
sustained rally, took undisputed first
place in the Western Division Sun-
day by defeating the Detroit Lions,
24-14. It was the sixth straight vic-
tory for Halas, who has coached the
Bears to all but two of their
record seven NFL championships.
"We've got a rough road ahead
starting with our beam buddies,
the Chicago Cardinals, next Sun-
day," Halas said as he shrugged
off the triumph that enabled the
Bears to snap their first place tie
with the Los Angeles Rams. "We
aren't congratulating ourselves yet.
We could drop two of our last
three."

The Bears took a half game lead
over the Los Angeles Rams, who
rallied to tie the Baltimore Colts,
17-17.
Brown's Cleveland huskies, re-
bounding from a 33-17 whipping by
the Philadelphia Eagles last week,
retained their one-game Eastern
Division lead by defeating the
Pittsburgh Steelers, 41-14. Brown
simply repeated Sunday's Philadel-
phia-New York result when asked
about Cleveland's chances for an
unprecedented 10th division title in
as many tries.

"Giants 31, Eagles 7," Brown
said as he pointed out his Brown-
ies invade the Polo Grounds next
Sunday. "If we get a championship
this year, we'll get it on our
own. No one's going to help us."
At least not the surprising Wash-
ington Redskins, who remained
close to Cleveland's heels by
swamping the Cardinals, 31-0.
In Sunday's other game, the
Green Bay Packers rallied to de-
feat the San Francisco Forty-Nin-
ers, 27-21.

Each team has three more
games. Pittsburgh and New York
are tied for third, three games be-
hind Cleveland. Green Bay is third
in the West but is only a game
behind the Bears and a half game
behind the Rams.

Wife Critically Burned; Mate, 3 Children Dead

DULUTH, Minn. (AP) — Mrs.
Elizabeth Ellefson faced the or-
deal today of recovering from
burns over half of her body with
the knowledge that her husband
and three children died when
their home burned.
The 25-year-old woman was in
critical condition in the hospital.
Her husband, Wallace, 30, and
their children—Douglas, 4, Patricia,
5, and Arlette, 7—were killed in
the fire Saturday night.
Mrs. Wallace escaped when an
explosion blew her off a porch roof
of their two-story frame home.
She had gone on to the roof to
help the children to safety as they
were passed through a window by
her husband.
But a stick she had propped the
window open with became dis-
lodged and the window slammed
shut. Then an explosion shook the
house.
Mrs. Wallace, with her night
clothes afire, was blown to the
ground. She ran barefoot through
a foot of snow in 10-degree weath-
er to summon help at a neighbor-
ing house.
A second explosion blasted the
house and it was enveloped in
flames as she fled.
Firemen arrived too late to save
anything.
The bodies of the father and

three children were recovered
day.
Authorities believed the
combination wood and gas
generated gas which tou-
the fire and explosions.

India Takes No Sides in Cold War, Nehru Says

NEW DELHI (AP) — Indian Prime Minister Jawaharlal Nehru told visiting Soviet leaders Sunday night his country is not taking sides with them in the cold war.

"India is in no camp and in no military alliance," he said in a speech before visiting Soviet Premier Nikolai Bulganin and Communist Party boss Nikita S. Khrushchev.

Bulganin addresses the Indian Parliament today. He is expected to enunciate the Soviet attitude to world international and especially Asian affairs and economic cooperation.

The only camp we should like to be in is the camp of peace and good will which should include as many countries as possible and which should be opposed to none," Nehru said.

The Indian premier said he felt the field of cooperation between India and the Soviet Union was rich and wide and expressed the hope the visitors would help in the process of deeper understanding and cooperation.

Bulganin, also addressing the banquet held in his honor at India's presidential palace, said despite failure of the Geneva conference Russia is certain the four powers will succeed in solving the problems facing them.

He commended the "Geneva spirit" as the best hope for peace in the world.

Marie Dionne Quits Convent; Reported To Be In Hospital

MONTREAL (AP) — Marie Dionne, the frailest of the four surviving Dionne quintuplets, was reported today to be in "very precarious condition" with pernicious anemia at a church-operated hospital. But hospital officials denied she was there.

Unconfirmed reports said the 21-year-old girl who left the cloisters of a Quebec City convent Wednesday for the second time in 16 months entered the Notre Dame De L'Esperance hospital Saturday.

It was believed Marie's family ordered a news blackout on her condition. Nuns at the hospital where Cecile and Yvonne, two of her sisters, are training to be nurses, agreed to withhold news of her admission there. A switchboard operator refused to put thru calls to Cecile or Yvonne.

It became known over the weekend that Marie — who took the name of Sister Marie-Rachel when she became a novice in the convent — was staying at the hospital.

In Callender, Ont., Marie Dionne, her father said "I don't think she will ever return to the convent." Marie originally entered the order Nov. 3, 1953. She left the convent for the first time in July, 1954, because of "poor health, loss of appetite and extreme homesickness" and stayed at the family home in Callender.

Letter May Be Included in Mail Packages Soon

WASHINGTON (AP) — You can put letters in your Christmas packages this year without having to pay first class postage on the whole parcel.

The Post Office Department announced today a new "combination" mail service that makes it possible for the first time in history to include a letter or message inside a fourth-class parcel post package or inside a copy of a publication mailed under second class mail rate.

The new service starts next Monday, Nov. 29, on a 60-day trial basis. All you have to do is indicate on the outside of the package that a letter is enclosed. Then you pay the regular postage rate for the parcel, plus an extra 3 cent stamp for the letter.

Postmaster General Arthur E. Summerfield said the new system should speed the end of the familiar phrase: "We are sending under separate cover."

Carbondale Negro, Shot by Policeman, Dies in Vet Hospital

MARIION, Ill. (AP) — A Negro man who was shot by a Carbondale policeman 10 days ago died Sunday night in the Veterans Hospital here.

Clarence Johnson, 41, Carbondale, received four stomach wounds in a gun battle with policeman Lee English. The shooting occurred Nov. 11 outside a Carbondale tavern.

English was called to the tavern after Johnson pointed a revolver at the bartender and demanded a drink of liquor. Johnson was leaving the tavern as English approached and the police officer said Johnson shot first.

English was not hit during the exchange of shots.

Two U. I. Students Killed, Third Injured in Crash

URBANA, Ill. (AP) — A University of Illinois student today remained in critical condition after an auto accident which killed two other students Sunday.

Dale Morris, 23, West Frankfort, was in Carle Memorial Hospital here. Ralph E. Andrews, 24, Rutledge, N. J., and Clarence F. Kubala, 21, Downer's Grove, were killed. The three students were returning to the U. I. from Danville when the car went out of control on a curve on U. S. 150 near Ogden and hit an abutment.

Mizell Wins Fifth Game in Winter Play

HAVANA, Cuba (AP)—Wilmer (Vinegar Bend) Mizell, who'll be back with the St. Louis Cardinals next season after a hitch in the Army, gained his fifth win in the Cuban Winter League Sunday while striking out 10 batters. Mizell, who now has struck out 75 batters in 61 innings, pitches for Havana, which beat Almendares, 3-1.

SIU Defeats Northern, 20-0; Wins Third Place

CARBONDALE, Ill. — Scoring three times in the second quarter, Southern Illinois university's grid team topped Northern Illinois, 20-0, before more than 3,000 fans here Saturday afternoon.

The win gave Southern third place in the I. I. A. C. conference with a loop mark of 4-1 — SIU's best finish since 1947.

Captain Wayne Williams paved the way for Saturday's win with a terrific job of pass-receiving, catching five first-half passes, which netted 120 yards and touchdown. Williams, who is one of the nation's top punters and pass receivers, was hurt midway in the game and did not return.

Northern Illinois, which finished the season with a 9-8 record, its poorest finish in 27 years, played good ball the first quarter, but couldn't compete with Southern's second quarter passing and running attack.

Jack Schneider, SIU's right half-back from Glen Carbon, made Southern's first touchdown early in the second quarter as he went off right guard for three yards to climax a 64-yard drive. The place kick by fullback Bill Spratt, Salem, was wide.

Seven minutes later, thanks to successful pass plays and the short but continual gains of Spratt, Southern again drove for a touchdown, quarterback Gerald Hart, West Frankfort, punching his way over from the four. Spratt's kick was good.

Southern's third touchdown was set up by a pass interception by halfback Gene Herman, Chicago. With only 10 seconds left in the first half, Williams scored on a 38-yard pass from quarterback Ken Walker, West Frankfort. Spratt's kick was good, giving the Salukis a 20-0 advantage.

Both sides substituted freely in the second half as they tried to give the reserves needed experience.

Southern had no long rushing gains, but Jack Schneider had a 59-yard first quarter touchdown nullified by a backfield in motion penalty. Big guns for Northern were Bob Snider and Larry Leadley, the two netting a total of 84 yards rushing.

Southern had a great day passing, completing 7 of 13 for 139 yards compared to 7 of 22 for 54 yards for the losers. In rushing, Northern led, 106-93, but SIU was ahead in total yardage, 232-160. In first downs Southern led, 12-7.

SIU closes its 1955 grid season with a home game against Bradley university of Peoria Thanksgiving Day afternoon.

Thompsonville Beats Ridgway Eagles, 83 to 60

Thompsonville, paced by Hodgson, a 6-3 center who scored 37 points, defeated the Ridgway Eagles Saturday night, 83-60. The game was played at Ridgway.

Ridgway has lost the services of Gary Dillard, big center, who suffered a back injury in a ball game at Pope County Friday night.

Coach Bob Dallas stated this morning that Dillard was injured in a pile up just before half time Friday, but after the intermission stated he was okay and ready to play. He remained in the game for the entire last half, but on the way home complained of feeling stiff.

Saturday x-rays were made and revealed a chipped vertebra. He was in school this morning, but wearing a cast. He may be out for the season and will miss at least six weeks, Coach Dallas revealed.

In the preliminary, Thompsonville was the winner, 62-61. Ridgway's Suter scored 21 points.

Ridgway plays at Rosiclare and Thompsonville hosts Blufford Tuesday.

Looking At Sports

By BILL MELTON

High spot on the Bridgeport high school basketball schedule is its third annual invitational tournament, listed for Dec. 26-28.

Dick Lehr, former coach at Carrier Mills, is Bridgeport coach and the schedule he sent us shows that Carmi, Shelbyville, Grayville, Albion, Palestine, Noble and Clay City join with host Bridgeport to fill out an eight-team tournament.

Bridgeport is a member of the North Egypt conference and will play a 20-game schedule in addition to participating in its tournament. The opening game for the Lehr-coached crew is Nov. 22, entertaining Noble.

Eldorado Coach Al Adams stated today he now had seven football games all lined up for next season, with an eighth probably, but definitely is looking for a game to fill the fourth date on the schedule. Eldorado and West Frankfort have signed a new contract with WF coming to Eldorado about Oct. 19, the sixth date on the list. Lined up are Anna, McLeansboro, Harrisburg, Carmi, W. Frankfort, Cairo and Benton. Open dates are the fourth and also the last. Fairfield, who has helped Eldorado close out the season for years, in all probability will again fill the final date. Open is Oct. 5.

The St. Louis Cardinals' schedule for 1956 shows there will be 11 double headers—nine on Sunday dates and two holiday affairs—at Busch stadium. There will be two double headers each with New York, Philadelphia, Chicago and Cincinnati and one each with Milwaukee, Brooklyn and Pittsburgh.

Cincinnati will be in St. Louis for a May 30 twin-bill and the Chicago Cubs are there for two on Labor Day.

The Cards will play Saturday afternoon games next season, Sunday twin-bills and all Monday through Friday games will be played under the lights.

Orders are now being accepted for all 1956 games, although they will not be filled and mailed until approximately April 1.

A recent issue of The Chicago Daily Tribune carried a picture and story featuring Larry (Killer) Kane, Carmi sophomore, playing quarterback on the Millikin college football team. Kane, 5-7 and weighing 125 pounds, has set an all-time College Conference of Illinois passing record gaining 1,292 yards in two years, shattering the old mark of 1,063.

In five CCI games this year Kane has gained 702 yards on 34 completions in 60 attempts. Nine of his tosses were for touchdowns. In two years he has connected on 56 of 103 for 16 TDs.

Kane is the son of Mr. and Mrs. Jone Kane, former residents of Eldorado, and a nephew of Mrs. Catherine Seright of Harrisburg. He is well known here as he visited in this city on numerous occasions with his cousins, Eddie and Joan Seright.

Equality high school basketball players had their troubles last Friday night. The team lost to Rosiclare 106-31 and Equality missed a total of 42 free throws. There is a potential of many points, taking the bonus throw into consideration.

Roger Suter, the 6-5 freshman at Ridgway, continues to impress his coach, Bob Dallas. Suter scored 15 points in the preliminary game at Pope Co. high school last Friday. "He looks better every game," Dallas declared in discussing the game, which was won by Ridgway.

Larry Kane is Named to College Conference Team

WHEATON, Ill. (AP)—Wheaton's College Conference of Illinois championship football team placed three players today on the 1955 all conference team selected by players and coaches.

Illinois Wesleyan, Millikin, and Lake Forest each landed two places while North Central and Augustana each played one man. Only Elmhurst failing to get on the first team.

Halfback Dave Burnham of Wheaton, halfback Gino Cantele of Wesleyan and end Pete Innis of Lake Forest made the team for the third straight year. Guard Dan Herz of Lake Forest won a first team position for the second consecutive season. Other first team players were end Dick Latham and tackle Dick Holt, Wheaton; tackle Ray Albrecht, North Central; guard Bob Kistner, Wesleyan; center Marshall Carlson, Augustana; quarterback Larry Kane, Millikin; and fullback Jim Hiesler, Lake Forest.

Shawneetown Edges Carrier Mills, 69-68, In Hectic Basketball Tilt

Shawneetown 69, Carrier Mills 68. That's what the scoreboard showed Saturday night after the two high school basketball teams battled tooth-and-nail for 32 minutes at Carrier Mills.

For months, when basketball fans from this part of the country would get together, the Shawneetown-at-Carrier Mills game would be referred to as the "game of the year" and it certainly proved to be just that.

Before a standing-room-only crowd, the two teams battled all the way in an exciting ball game as has been staged in a long time.

The deciding factor in the tense battle was Shawneetown's better balanced attack, with all seven players in action cracking into the point production and two hitting in double figures.

Carrier Mills had the individual star, Oliver Rollins, senior center and high scorer for the past three years, played a terrific game, scoring 45 points and playing a whale of a defensive game.

Nolen Opens Scoring
Even with Shawneetown centering their defensive efforts on "Big Olie," he was able to connect for 17 field goals and 11 free throws. The powerful center scored 12 points in the first quarter, 11 in the second, hit a high of 13 in the third and added nine more in the final frame.

Jack Nolen and Alfred Gunzel were the big guns in the Shawneetown attack, scoring 26 and 18 respectively.

The fortunes of battle swayed dates and forth, but at no time did the tide swing far in either direction.

Four times the score was tied in the first frame, but at the end of the period Carrier Mills had an 18-12 advantage. Nolen opened the scoring with a tip in, after both teams had played cautiously for almost two minutes, the only time in the game when the action wasn't fast and furious. Rollins knotted the score with two free tosses, then put his team ahead on a beautiful under-the-basket effort. Nolen scored another fielder on a layup and scored again in a hurry on a jump shot from 15 feet out. After the count was knotted 6-8, CM went in front to stay during the quarter.

Score 36-35 at Half
Shawneetown had a big second frame, outscoring CM by a 24-17 margin. The Indians pulled into a 24-41 tie with 4:30 to play and then went ahead 26-24 with 4:20 to go. At one time Shawneetown built up a 33-25 advantage, then Carrier Mills began to roll and trailed by a 36-35 score at half-time.

At the start of the third period CM threatened to run away, getting a 46-38 lead at one time, but the Indians came roaring back, pulling to a 48-48 score with 2:55 left in the frame. Then Coffield hit once, O. Rollins twice while Gunzel was counting for the Indians and at the three-quarter mark Shawneetown was down 54-50.

Early in the last quarter CM held a 58-53 lead, but with the clock showing 4:55, Drone hit two free throws to put Shawneetown in front 59-58. With 41:2 minutes to go the score was tied 61-61 and again 63-63. The Indians went ahead 65-63 on a fielder by Stewart, O. Rollins made a free toss and with a little more than a minute to play and holding a one-to control game and managed to shake Nolen loose for a fielder and a three-point advantage. O. Rollins made two free ones to again pull CM to within one point, then Nolen was fouled and made a couple of free tosses to sew up the game. With the clock prac-

Coaches See Radical Changes with Wider Free Throw Lane

CARBONDALE, Ill. (AP)—Six feet more on the free throw lane may cause radical changes in basketball lineups and tactics this winter, a cross-section of coaches said today.

They predicted that widening of the free throw lane from 6 to 12 feet will result in more zone defense, more fast breaks, fewer hook shots, greater demand for players who are fast as well as big, and more emphasis on "outside" shooters.

The 23 coaches were polled by Roswell D. Merrick and Donald M. Boydston, both of Southern Illinois University. The results appeared in the current issue of the Journal of Health, Physical Education, and Recreation.

The coaches indicated that they look for more "give and go," weaving, cutting and driving off-fenses after the new rule goes into effect Dec. 1.

It may be easier to box out big offensive pivot men on rebounds and to keep them from getting easy baskets after missed free throws, they said.

tically out of time, Rouse hit a one-hander and again CM was just a point back, but it didn't make any difference. The hectic game was over.

Shawneetown is unbeaten for the season, winning three in as many starts. The team plays twice this week, Tuesday and Friday, entertaining Rosiclare and Grayville.

Carrier Mills, winner one time in four tries, plays at Cave-in-Rock Tuesday.

Carrier Mills won the preliminary game 62-46.

THE JUNIOR CLASS OF EQUALITY TOWNSHIP HIGH SCHOOL will present "Aunt Cathie's Cat," a mystery comedy in three acts Tuesday, Nov. 22, at 8 p. m. in the school's gymnasium. The plot begins when two refined maiden ladies with their two attractive nieces and dumb-dora maid decide to rent a spooky mansion unaware that anything mysterious is going on. When the real estate agent takes his prospective renters over to the house to show it, two queer, rough looking people scurry across the stage carrying the bloody-faced body of a man. A strange white-faced woman dressed in black appears on the stairway, but disappears when she hears people coming. When the ladies move in, the night of horror and laughter gets underway and moves on at a fast tempo to the climax where the mystery is solved. The play cast includes, standing, left to right, Nana Sisk, Linda Mahan, Phyllis Payne, Louise McMurry, Rita Roe, Ritha Teegarden, Sue Frohock, Delmar Feazel, faculty director, back row, left to right, George Sisk, Don Frohock, Jackie Barbre, Kenneth Dale, Terry Gossett. Members of the cast, but not present for picture, are Neva Hopson and Jim Harbison. (Register Staff Photo)

THE T. Y. WILLIAMS GRAIN COMPANY AT SHAWNEETOWN has just completed a building program that increases its storage capacity by 100,000 bushels. Four large metal tanks (there are two tanks directly back of the two that can be seen in the above picture) have been erected, along with a 95 foot elevator leg and high speed belts that can handle 2,500 bushels of small grain per hour. The tanks are each 55 feet six inches high and 26 feet four inches in diameter. This in effect gives the grain company two elevators, with greatly increased storage capacity. The old elevator, at right, still in use, has a capacity of 20,000 bushels of small grain and 30,000 bushels of ear corn. To be erected just east of the new tanks is a 24 by 55 foot steel and concrete building, which will house a corn sheller with a capacity of 1,500 to 2,000 bushels per hour. The sheller now in use has a capacity of 800 to 1,000 bushels per hour. The Williams Grain Co. ships both by rail and barge. Loading into railroad cars will be from the old elevator and into trucks to be hauled to barges on the Ohio river will be from the new tanks. Equipment has been installed so that grain can be quickly transferred either from the tanks to the old elevator, or reverse, as the need may be. Last year 120,000 bushels of grain were shipped by barge and plans call for a much greater amount to be moved by barge this year. A barge will handle from 30,000 to 60,000 bushels of grain, the equal of 15 to 25 railroad cars. C. P. Potter, manager, stated recently. Mr. Potter is a former Harrisburg resident. The tanks were purchased in Louisville, Ky., floated down the Ohio river to Shawneetown, then transported by truck to the company location, where the construction work was done by the Tom Covington Construction Co. of Bowling Green, Ky. Work of assembling the tanks started in April and was completed just a few days ago. Mr. Williams, a resident of Equality, has been in the elevator business since 1928, and has been at the present location at New Shawneetown since October, 1941. (Register Staff Photo)

Chestnut-Sausage Dressing Provides Something Different for Thanksgiving

CHESTNUT AND SAUSAGE dressing will give tasteful variety if you'd like to experiment with something different.

BY GAYNOR MADDOX
NEA Food and Markets Editor
Chestnut-sausage stuffing for the traditional Thanksgiving turkey — that's a savory blessing. We tested it at the recent southern colonial dinner given by the American Spice Trade Association to celebrate its 50th anniversary.

Roast Turkey With Chestnut-Sausage Stuffing

Fifteen to 18-pound ready-to-cook turkey, salt, chestnut-sausage stuffing, 2 sticks butter or margarine, melted, 3 cups hot water.

Wash turkey and sprinkle inside lightly with salt. Fill body and neck cavities loosely with chestnut-sausage stuffing. Fasten neck skin to the back with a skewer. Fold wings flat against the body. Lace abdominal cavity with string and skewers to hold in stuffing. Tie legs together and fasten to tail.

Place on a rack in an open, shallow pan. Brush skin of bird with melted butter or margarine. Add hot water to the remaining melted butter or margarine into which dip a clean, white cloth. Wring out slightly and place over the turkey. Cook in a preheated slow oven (325 degrees F.) 6 to 6 1/2 hours. If

cloth dries out during the cooking period, remove from turkey and wring out again in warm butter or margarine water and place over turkey.

Chestnut-Sausage Stuffing (Yield: Stuffing for 15 to 18-pound turkey)

One pound sausage meat, 1 cup chopped onion, 1 cup sliced celery, 1/2 cup chopped parsley, 15 cups toasted bread cubes, 2 teaspoons salt, 1 teaspoon crumbled whole thyme leaves, 1 teaspoon crumbled whole marjoram leaves, 2 teaspoons ground sage, 1/2 teaspoon ground black pepper, 1/2 cup dried green olives, 1 pound (2 1/2 cups) chopped chestnuts, roasted, 1/4 cup melted butter or margarine, 1/2 cup water.

Brown sausage lightly in skillet along with onion and celery. Mix with remaining ingredients. Fill body cavity and crop of a 15 to 18-pound turkey with this mixture.

COLONIAL THANKSGIVING DINNER: Assorted hors d'oeuvres and chilled beverages, roast turkey with chestnut-sausage dressing, mushroom giblet gravy, sweet potato souffle, green beans with peanut browned butter sauce, Sally Lunn bread, butter or margarine, mixed green salad with

Herrin Duplicate Bridge Club Elects Officers

The Herrin Elks Duplicate Bridge club climaxed its 1955 season with a dinner-bridge for 90 area members and guests last Thursday evening at the Elks club. Following the dinner, the annual election of officers was held. Unanimously elected for the 1956 season were Charles R. Cook of Herrin, president; John Anderson, Herrin, vice president; J. W. McCord, Herrin, secretary-treasurer. Directors will be Vincent Zike, Herrin; Lillian Alt-mire, West Frankfort; Mrs. John Weaver, Christopher; and Harold Ray, Marion.

During the evening, 20 tables of bridge were in play, in two sections. In Section A, for the North-South pairs, first place honors were taken by William Hart and Morse Moore of Benton. Wayne Gideumb and Mrs. Morris Skaggs of Harrisburg won second place; Dr. and Mrs. James Donoskey of Benton, third; and Joe and Charles Helleny, fourth.

In Section A's East-West competition, winning pairs were Wesley Coyle of Valer and Vincent Zike of Herrin, first; Mrs. Joe Shelton and Mrs. Helen Mitchell of Marion, second; Okley Hays and "Gig" Hays, third; and Mrs. Ruth Stinle and Mrs. Myra Osborne of Murphysboro, fourth.

Of section B's North-South pairs, J. W. McCord and Stanley Weaver of Herrin took first place honors; Mrs. Wallace Owen and Mrs. Everett Stocks of Herrin, second place; Mrs. Isadore Goldsmith and partner, third; and the Harold Rays of Marion, fourth.

In section B's East-West competition, Mrs. Lillian Butterfield and Mrs. Herman Lambert of Harrisburg won first; Mrs. Harry Morris and Mrs. Kenneth Roden-bush of Benton, second; Mrs. J. W. McCord of Herrin and Mrs. John Weaver of Christopher, third; and Mrs. Pauline Bolger and Mrs. N. N. Norman of Marion, fourth.

The last bridge session of the '55 season will be held on Dec. 8 at the Herrin Elks, and the 1956 season will open Jan. 5, at 8 p. m. spiced oil and vinegar dressing, frozen plum pudding, little chocolate spice cookies, coffee, tea, milk.

Few Births in Counties with No Hospitals

SPRINGFIELD (CP) — No one was born in Henderson, Putnam or Menard County in the first nine months of 1955.

Illinois' population continues to grow. But you would never guess it from a look at the birth records of about 24 of the state's counties.

Henderson, Putnam, Bond, Monroe and Stark counties recorded only one birth each in 1954, while Menard had a total of six.

The reason for the startling statistics is that these counties are among 24 in Illinois which do not have general hospitals.

State Health Department officials explained that many persons in these counties go into another county to give birth. Actually, some have high birth rates, but more than 95 per cent of Illinois births are in hospitals.

Neighbor States Play Host

Several of the counties which do not have hospitals border on other states. For example, Calhoun County, which had only seven recorded births in 1954, neighbors Missouri; Clark, with 25 births, borders Indiana; Jo Daviess, with 10 births, borders Iowa; and Pope, with 14, borders Kentucky.

Other counties without general hospitals include Pulaski, Massac, Johnson, Edwards, Washington, Gallatin, Jasper, Cumberland, Moultrie, Scott, Brown, Mason, Marshall and Kendall.

Some of these counties without hospitals still manage to turn in fairly high birth records.

Massac, with a population of 13,594, had 124 births, and Pulaski, with 13,639 people in 1950, had 119 births in 1954.

Perry Outstrips Joe Daviess
The difference in birth rates between counties which have hospital and those which do not may be illustrated by Perry and Jo Daviess counties.

Perry had a 1950 population of 21,684, and Jo Daviess was very close with 21,459. But Perry County, with a hospital, had 453 births in 1954 and 363 in the first nine months of 1955. Jo Daviess had 10 births in 1954 and five in the first nine months of this year.

Other low-birth rate counties without hospitals and their 1954 and nine-month 1955 records include: Edwards, 21 and 13; Washington 10 and 7; Gallatin 24 and 18; Cumberland 16 and 5; Scott 2 and 2; Brown 6 and 3; Mason 6 and 1; Marshall 6 and 2; Kendall 3 and 3.

New Approach to Missionary Work By Protestants

WASHINGTON (CP) — American Protestants are quietly preparing for a revolutionary new approach to their century-old, yet barely begun task of converting Asia and Africa to Christianity.

They are facing up to the fact that the rising tide of nationalism and anti-Western sentiment in many countries has reached a point where the Christian gospel can make little headway if it is labeled a Western export.

The new approach calls for deemphasizing the traditional practice of sending out missionaries to establish outposts of the Western white man's church. Instead, leading U. S. Protestant denominations are seeking ways in which they can support and strengthen the independent, native-led Christian churches which have been established in nearly every country of Africa and the Far East.

The 30 denominations which are members of the National Council of Churches will send representatives to a meeting at Dayton, Ohio, Dec. 4-7, to discuss specific plans for adapting their far-flung mission programs to the new "partnership" concept.

Franklin's Son
William Franklin, son of Benjamin Franklin, was the last royal governor of New Jersey. He bitterly opposed American independence and refused to follow his father in the move to make America an independent nation.
